Empire State Building

Date

1993

Primary Maker

Milton Wallace Bond

Medium

Reverse painting on glass

Description

View of the Empire State Building, looking west down W 34th St. Other buildings (including the Chrysler Building) can be seen around it, much shorter; many fly American flags. Vehicle and foot traffic streams down the street and sidewalks. The US Navy zeppelin "Akron" hangs in the air to the right of the Empire State Building.
