## Description

Portrait of a family in their parlor. A man and a woman sit facing each other on two klismos chairs with painted grain; a table with painted marbling is next to each of them, and a pier glass with a green swag over it is between them on the wall. The man is in a black coat and grey trousers; his top hat is on the table beside him, upside down. The woman is in a black gown with a pelerine, her hair held up with a tortoiseshell comb, and she is holding a baby in a white gown. A small boy in a grey outfit stands between them. The whole is on a strip of blue and yellow woven carpet.
