Description

Painting of an interior, depicting a bedroom with a fireplace. There is a slant-top desk against the left wall, and a bed with chintz hangings against the back wall, to the right side. A closed door in the left wall is close to the viewer, while an open door in the back shows another room. Between the fireplace and the open door are a winged armchair and a tall wardrobe. In the middle ground is a small table with a green cloth and a knocked-over vase on it; a kitten is playing on the floor in front of it, and another closer to the fireplace. Pictures hang on the wall above the desk, and fans are on the mantel.
