

## Grasshopper

**Date**

n.d.

**Primary Maker**

Henry R. DiSpirito

**Medium**

Stone

**Description**

Stone carving depicting a grasshopper in a perched position. The grasshopper is carved from one large stone and appears to be in a position just before jumping. Multiple colors within the stone, but the grasshopper is gray and the uncarved areas are predominantly brown in color.

**Dimensions**

Overall: 16 × 7 × 9 in. (40.6 × 17.8 × 22.9 cm)
