

Basic Detail Report

Cricket

Date

n.d.

Primary Maker

Henry R. DiSpirito

Medium

Stone

Description

Stone carving depicting a cricket, possibly in the position before it starts to make sound. The sculpture is not finely detailed and some of the detail was likely lost due to it being used in an outdoor sculpture garden. There is no signature present on this object. The predominant color for this object is gray, but there are other tones of coloring present throughout.

Dimensions

Overall: 7 1/2 × 12 × 8 in. (19.1 × 30.5 × 20.3 cm)
