

Basic Detail Report

Pipe Bowl

Date

c. 1800

Primary Maker

Anishinaabe (Ojibwa)

Medium

Olive brown fine grained stone (Wisconsin catlinite?)

Description

Pipe bowl of olive brown fine-grained stone with a circular label in black in mechanical ink "66" on the bottom. The bowl has a human face that looks toward the smoker. The ears are large half circles, the hair is shaved on the sides, and the eyes are oblong. On the pipe stem a trapezoid edge stands up from the top of the stem. It has small and close hatch marks and, on the sides, there are two score marks.

Dimensions

Overall: 3 × 1 7/8 × 4 1/4 in. (7.6 × 4.8 × 10.8 cm)
