Description

Bag is buckskin, glass beads, metal cones, cloth (restored), and thread. At the top of the bag is a border of white, blue, and red beads. The top part of the bag is decorated with hide fringe bordered by green and white beads and ending in tin cones. Down the side of the bag is a section of white and red beads with sections of black, red, and blue beads. This leads to the bottom section of the bag that has a white bead background with green and red designs. The bottom of the bag ends in fringe of tin cones, red trade cloth, and hide fringe.
