Description

Pencil on paper drawing with drawings or writing on both sides of the paper. The main side of the paper has a drawing of a seascape on the left side, showing several men in a row boat on choppy water in the foreground and a rough sketch of the same in the background. A bird is in the top left corner. On the right hand side is a sketch of a man crudely drawn to possibly show him being wind blown. Both images are squared out.
