Description

Pencil on paper drawing showing a man walking away with his head lowered, his right hand holds the hand of a young woman and in his left he holds a rifle. He wears a cap on his head, a knife on his belt, a one-piece shirt and skirt-like outfit, shoes and stockings. The woman wears a dress and bonnet or other head covering. To her right is another man watching on. In the background in the

doorway is another indistinguishable figure, possible a man. The building appears to be a log cabin as seen in the corner construction in the background. On the reverse side of the paper is an additional sketch showing a young girl looking back at a young boy while being dragged away by another woman. The young boy appears to be hiding and has a toy doll or similar in front of him. Across the dress of the young girl is "F.O.C Darley." Below the image is seen "Leather Stocking."
