Description

Color drawing in a thin black wooden frame with a white matte, horizontal. Graphite on paper. White side-gabled farmhouse with two chimneys, green shutters, and a front porch. The house also has a single-story addition that extends back, with a side porch and one chimney. The back of the addition looks more like a farm building than a house. Three white barns and a small white shed also appear. There is a bird in a cage on the front porch and a cat on the side porch. There are a few trees in the drawing; the ones on the left side look like pine trees. Text at bottom reads "Residence of Mrs. Mary Wakeman. Lawyersville, NY."
