Description

Image of The Mower/Jordan Farmhouse in Sharon Springs, NY, surrounded by a picket fence with trees planted in a row before that. Two women stand behind the picket fence near a gate. Another two women sit on the ground

in front of the fence to the image left of the gate. A man in a suit and hat stands still left (image) of them. A split rail fence runs the width of the image in the foreground. The image is adhered to a thin cardboard mat with a solid line and a patterned line running around the image. On the bottom edge between these two lines is printed Northern Survey CO., Albany, N.Y. The matted image is framed in an ornate wooden frame with metal edging and hand carved details at the corners. The photograph is held in place with a thin wooden backing nailed into the frame. (the donor states that this is the original frame)
