Description

Silo 153: Concrete Stave, 40' x 16' c. 1901, not currently in use. Image looking across a plowed road to two red barns. The barn closer to the road is one story and much smaller. It has a tractor parked between it and the road. The second barn is much larger, at least three, maybe four, floors and has a silo to the left of it. There is a wreath on the front of the barn, above the white sliding door. Beyond the barns there is a small yellow house. All three buildings around surrounded by snow.
