Solarized Photographic Print

Description

Image of Florida Polytechnic University’s Innovation Science and Technology Building The building’s curved roof, which sits on an oval base, is topped by a 250-foot long skylight shading system. The system is composed of 94 custom louvered arms that form an arc shape and rise and lower daily, in harmony with the sun’s path throughout the seasons of the year. A continuous terrace surrounds the building and is shaded by 84 custom aluminum pergolas.

Dimensions

Sight: 19 × 13 in. (48.3 × 33 cm)
