Description

Image of Paris, taken from the Pont de la Tournelle bridge, with the Seine in the center. One the left, shows the city at night, with trees lining and people along the riverbank on the Port de Montebello. A boat is heading from back to front on the river. Notre Dame can be seen in center background lit up at night, with reflection of lights in the water. To photo right shows Île Saint-Louis, during the day, with people below at the edge of the river and rowers in boats along the river's edge.
