Description

Photograph of a ward at the Thanksgiving Hospital. Five beds can be seen running down each side of the room; at the end of the aisle between the rows is a pair of tall,

narrow windows, and a table level with the lower sill, on which stands six plants in pots. There is a lounge chair in front of the window, and a rocking chair nearer to the camera, on which sits a young girl in a striped dress. A nurse in a white cap and a striped dress with a bibbed apron over it takes the pulse of a patient lying in the third bed from the back, on the right side.
