## International Disk

### Date

c. 1965

### Medium

Photographic paper

### Description

The disk was placed in an open space in front of a lone tree. Beyond the disk is a small building. To the left and behind the disk is another small building, possibly a chicken coop. A third building is in partial view on the left. Fenced in pastures are in the background. A road runs across the photo on the right and a car is being driven down the road. In the distance are other farms and buildings.
