Barn Surrounded by Pasture

Date

c. 1900-1915

Medium

Photographic paper

Description

A nineteenth century barn is on a hill in the middle of pastures. The double entry doors are open and the area in front of the barn is bordered by field stone fences. An area for animals is on the back of the barn. Split rail fences separate the pastures surrounding the barn. Tall grass and wildflowers grow abundantly. In the distance are other farms dotting the hillsides. A rolling hill is in the background.
