

Basic Detail Report

Horse Driven Machinery

Medium

Photographic Print on heavy paper

Description

Two white horses, bridled, stand in front of a barn. To the right, a man sits atop wheel spoke looking straight at the camera. He wears dark clothing, boots, gloves, and a hat. Behind him stand six men, standing in various poses by a machine sitting in the doorway of a barn. The man on the left side of the machine wears dark clothing, gloves and hat. He looks off to his right side with his left arm resting on the machine. To the right of him, stands three others. One has his arm draping over the machine looking at the camera. Two of the men wear dark clothing, hats and gloves while the other man wears lighter clothing with a hat. These two men have their hands resting on pitch forks. Behind them, stand two more men. Both in dark clothing and wearing hats. The one on the left has his left arm draped over resting on the machine. The man on the right has his right arm resting on the machine and his other hand is holding up a pitch fork. To the left of this cluster of workers, sits another man dressed in lighter clothing with a hat. He looks at the camera. Behind him are stacks of baled hay.
