Basic Detail Report

Winter Scene

Date
c. 1930

Primary Maker
Dante Tranquille

Medium
Film

Description
Image is a winter scene of a house with a car parked next to it. Another shingled house is next door to it on the right. The image seems to be the backyards and backs of the houses (?). Through the trees is a building that looks like a factory building and cars seem to be parked on the side of the street in front of the houses. A smoke stack can be seen rising above the house toward the left side of the image.

Dimensions
Sight: 4 × 5 in. (10.2 × 12.7 cm)
