Description

Image shows a man carrying two pails away from a truck with a large, metal tank on the back of it. The truck is parked in the road. Another man is reaching towards a covered sap bucket attached to a sugar maple to the right of the truck. Surrounding the men are tapped sugar maple trees with sap buckets on them. A white house is in the background. More tapped trees line the road, and a car is parked further down the road. The license plate on the truck says "NY Farm" and "15-230."
