## Barn with Unadilla Silos

### Date

1925-1930

### Medium

Photographic paper

### Description

View of a large barn complex constructed of a main barn with a raised entrance on the end and two ventilation cupolas. Two long free-stall additions were built perpendicular to the main barn. Single and double Unadilla silos are attached to or next to the main barn structure. The end of the barn is fenced in and a wagon of fodder is within this area. Photograph is in a tan board mat with brown and silver border around the photograph. The backing of the mat is dark green.

### Dimensions

Overall: 4 1/2 x 6 1/2 in. ( 11.43 x 16.51 cm)
