Description

A barn, two windmills, a house, and a field make up the Timmerman home. A fence runs through the bottom portion of the print in front of the buildings. A man poses on a horse in front of the barn while another man stands on top of the barn windmill on the right side of the print. The windmill is most likely a Halladay power mill, with its inscription "HALLADAY STANDARD U.S WIND ENG. & PUMP BATVIA, ILL." A windmill tower stands in front of the house on the left side of the print.
