Description

Landscape view of Hartford, New York. A farm is in the distance along a north-south road. Fields fenced with fieldstone and barbed wire are in the foreground. A barn is in the center of these pastures, possibly for hay storage. Several elm trees dot the landscape. Written on the bottom of the postcard is, "View South from Hartford, N.Y." The view is likely from the road that today is Route 149 at a point west of the present Hartford Central School looking toward Route 40. The farm is located on what is now Route 40.
