Description

Exterior view of the Borden's Condensery in Mount Upton,

Chenango County, New York. The Condensery consists of two buildings. The first is a medium size two story building. The second is a very large two story building with several cupolas on the roof and a loading dock built towards the end of the building on the right side. A very long line of horse drawn wagons and drivers are waiting to unload milk at the loading dock. On the bottom edge of the print is typed "17-Bordens Condensery, Mount Upton, N.Y." Handwritten on the right edge: "We put in 152 loads Hay last week. No hay vacation. This week so far corn 4 feet high. HGH"
