Description

View of a farmstead looking past the barn to the farmhouse. The barn is a large structure with a fieldstone foundation. The foundation continues around the wooden silo to the right of the barn. At the far end of the barn, is what may be the top of a hop house. A complicated weathervane or otherwise is on top of this roof. The farmhouse is further beyond the barn and to the right. A windmill is in back of the house. Across from the barn is a smaller barn or shed in partial view. A wagon is in front of the shed.;
