

Basic Detail Report

Watermelon Party II

Date

c.1910

Medium

photographic print on heavy cardstock

Description

Three women, two men and two children stand together outdoors. Most individuals in the group hold a large slice of watermelon up to their mouths, some taking a bite. They seem to be celebrating a joy of summer. Half of a watermelon with a knife stuck into it is on the ground in front of the group toward the right. Trees and a house (in partial view) are in the background.
