

Basic Detail Report

Adding Salt to Butter at Briarcliff Farms

Date

c.1906

Medium

photographic paper, rigid card backing

Description

An operator works salt into butter at Briarcliff Farms. The butter has been taken from a churn and placed on a circular table. One ounce of salt per pound of butter is added to the table. The operator piles the butter into a ridge so that it will be carried under the rollers and mixed with salt while water is being squeezed out.
