Three men stand in front of the building on the sidewalk and two men stand in the doorway in the center of the building. On the end of the building another man stands in a doorway. To his left is a delivery cart beside the building. A bike is parked along the sidewalk on this side of the building, and a horse-drawn delivery wagon is parked along the street. A driver is with the wagon. On the side of the wagon is painted "Dobler/Fager." Another "Dobler Lager" sign is in the center doorway. Several trolley or railroad tracks are in front of the building.
