Medium

photographic print on heavy paper

Description

Four men stand outside in the snow next to a hit and miss engine that is mounted in a wagon of sorts. There is a large belt that runs from the engine out of sight in the bottom right corner of the frame. A metal pail with a cone sits in the wagon as well. Two men stand on either side of the wagon wearing work clothes. They all wear hats, overalls with large jackets, and boots. Two of the men wear gloves. A snow covered field can be seen in the background. A small shed or building is visible and partially out of frame to the right.
