

Basic Detail Report

Threshing in Dresden, NY

Date

1905-1915

Medium

photographic print on heavy paper

Description

Nine men and a young boy pose around a steam traction engine parked along a roadway in Dresden, New York. A water tank is to the left of the steam traction engine. A thresher is being powered by belt from the steam traction engine and is parked some distance off the roadway next to a barn. A large stack of straw is to the right of the thresher, between the two machines.

Dimensions

Overall: 3 1/2 x 5 1/2 in. (8.89 x 13.97 cm)
