A carriage pulled by a three horse team is on a country road, just passing by a farm. The carriage and horses are sitting idle on the road in front of a large tree. The driver sits on the seat holding an umbrella over his head. A farmhouse is just visible through the trees and a woman stands in an open doorway. A nineteenth century barn is to the right of the house. A second house is in partial view on the right side of the photograph. On the left side of the photograph stands an apple tree, several wood posts for fencing and a spring house in the foreground.
