Description

A wooden house stands in the center of the print. The house is at a forty-five degree angle with the front facing toward the left. The house has a porch in front. Two

women and one child sit on the porch. A man stands on the porch and another man stands on the ground but leans against a porch pillar. There are vines growing on the facade of the house. Plants and trees grow to the left of the house in the bottom left corner of the print. The top half of the print is sky. The print is framed on a tan matte.
