

Basic Detail Report

Sugar House

Date

1905-1915

Medium

photographic paper

Description

Photographic Print. View of a sap house that looks like it is newly constructed. The door of the sap house is open. Evaporation rises from the roof of the building. A horse is hitched to a sledge with a wooden barrel on it. The barrel

is likely filled with sap. A man stands to the right of the barrel. A second building, possibly for animals is on the right side of the sap house. A fenced in area is beside this building.

Dimensions

Overall: 3 5/8 x 4 1/2 in. (9.21 x 11.43 cm)
