

Basic Detail Report

Farmers using a Hay Loader

Date

1910-1920

Medium

photographic paper, mat board backing

Description

Two farmers stand on top of a pile of loose hay on a hay wagon. A hay loader is hitched to the back to pick up the cut hay in the field. The hay wagon is pulled by two horses. One man stands at the front of the wagon on the load of hay driving the horses. The second man stands at the back near the hay loader moving the hay. There may

be a third man standing on the wagon in the middle, obscured by hay being moved.
