Threshing Crew at Work

Date

1890-1910

Medium

Glass plate, Collodion Emulsion

Description

View of a threshing crew at work on a farm using belt-driven equipment. They are using a Case thresher, as noted in another photo from this series, F0010.2016(50).

The men are in various places on or around the stacks of chaff/straw. Two ladders used to get to the top of the stacks are in the photo. A man with a horse-drawn wagon is on the right. In the background, a barn, hop house, shed and windmill are in view.
