

Basic Detail Report

Child and Dog seated in a Grain Drill

Date

1890-1910

Medium

Glass plate, Collodion Emulsion

Description

A toddler is seated on the right side of the open bin of a grain binder. A dark and light colored dog with a leather studded harness on sits on the left side of the grain bin.

Its paw is draped over the edge of the bin. A straw hat was placed in the center of the open bin. The grain drill was made by Superior. Superior Drill Company was a company based out of Springfield, Ohio. It was purchased in 1903 by The American Seeding Machine Company.;;A shed is behind the grain drill and multiple other sheds are in the background.;
