

Basic Detail Report

Working Hay

Medium

Glass plate, collodian emulsion

Description

Three men stop to pose for the photographer while working in a hay field. The man in the foreground rides a cart that is hitched to a single horse. The two men in the background one stands in the field while the other stands atop a wagon piled high with hay. The wagon is hitched to a team of two black horses. On the far left of the frame an empty carriage sits while a small black and white dog, possibly a border collie sits in front of the carriage. Farm buildings can be seen in the background, trees surround the field.
