Basic Detail Report

Steam Traction Engine and Threshing Machine

Date

c. 1910-1918

Medium

photographic print on heavy paper

Description

Nine men pose on a road next to a steam traction engine, threshing machine, and wagon. The steam traction engine on the left side of the print, the thresher near the middle, and the wagon on the right side of the print. There is a fence running horizontally through the foreground of the print. Trees dominate the upper left corner of the print.
