Threshing Outfit and Cows Grazing

Date

c. 1907-1910

Medium

photographic print on heavy paper

Description

Distant view of a threshing outfit working at the time the photo was taken. The belt driven threshing machine to the right of center can be seen being powered by the steam traction engine on the left of the photo. A horse-drawn wagon is between the two. On the far right is a large stack of chaff accumulating. Cows graze in the field as the threshing takes place.
