Description

There is a road in the bottom left corner. A fence begins in the bottom right corner and ends 1.5 inches from the bottom left corner. A white house is located above the right half of the fence on the print. The house has a porch with four columns. Another house is located to the left of the white house on the print. This house is obscured by trees. The print is framed on a tan matte. There is a portrait framed on the back of this matte.
