Basic Detail Report

Horse-Drawn Disc Harrows

Date

c. 1907-1915

Medium

photographic print on heavy paper

Description

A gang of farmers are in a partially worked field. They are lined up in the mid-ground. The first in line is a farmer driving a horse-drawn wagon. After him are three farmers riding on horse-drawn disc harrows. All of the harrows are pulled by two horse teams. The last farmer has a two horse team possibly hitched to a disc harrow, but it could be a different piece of field equipment.

Dimensions

Overall: 3 3/8 x 5 3/8 in. (8.57 x 13.65 cm)
