Basic Detail Report

Threshing Machine Powered by Steam Traction Engine

Date

c. 1910-1918

Medium

photographic print on heavy paper

Description

Thirteen men pose on top of a steam traction engine, threshing machine, and wagon. The steam traction engine is on the left side of the print, the wagon near the middle, and the thresher is on the right side of the print. There is a barn directly behind the steam traction engine. Two trees are visible behind the barn. The bottom third of the print is ground and the top third is sky.

Dimensions

Overall: 3 3/8 × 5 7/16 in. (8.6 × 13.8 cm)
