Covered Bridge Connecting Hay Fields

Date

c. 1915-1925

Medium

photographic print on heavy paper

Description

A split rail fence spans the foreground. Mounds of hay and windrows are beyond the fence in a hay field. A fenced in pasture is in the middle of the hay field on the left. In the distance, a long, wooden covered bridge spans a waterway connecting farm fields on either side. Rolling hills are in the background. The photo is framed on the top by tree branches.
