Working up a Field

Date

c. 1905-1915

Medium

photographic print on heavy paper

Description

Two farmers work in a large field; they are in the distance. On is drives a tractor, possibly an International Harvester (IH) that is hitched to a disc harrow. To the farmer's left is another man walking behind his horse team with a piece of equipment behind him. The two have the field mostly worked up and it is very gravelly. In the distance is a farm on the right along a wooded area.
